Supporting Comments of Petitioner

To the Chief, Allocations Branch:

1. Linda A. Davidson ("Petitioner") respectfully submits her comments supporting the above captioned proceeding. The Commission has proposed to allot FM channel 290A to both Milner and Plains, Georgia as those communities' first local FM services.
2. Petitioner supports the Commission's proposal and hereby restates that she or a company in which she is an owner intends to file applications for construction permits to activate FM channel 290A if it is assigned to Milner and Plains as proposed. If her applications are granted, she will expeditiously build both stations. If the Commission sees fit to grant only one allotment, she also commits to applying for and building that station.
3. Petitioner would like to notify the Commission that her mailing address has changed. The new address is below.
4. Petitioner hereby states under the penalty of perjury that the statements given in this petition for rulemaking are hers, and are accurate to the best of her knowledge.

Respectfully submitted,
